SUMMARY

I am a Java Developer specializing in application development, troubleshooting, and process automation. Proficient in Java debugging, SQL optimization, and CI/CD deployments, ensuring seamless system performance. Skilled in database management (Oracle & SQL Server), Linux scripting, and job automation using Stonebranch to enhance operational efficiency. Experienced in user access management, SharePoint site development, and proactive system monitoring with tools like Putty, Splunk, and ServiceNow. A strong team player in Agile environments, driving efficient project execution and continuous process improvements. Adept at cross-functional collaboration to ensure seamless application delivery, incident resolution, and operational excellence.

SKILLS

PROGRAMMING & DEVELOPMENT :

- Java
- SQL
- JavaScript, HTML, CSS (Frontend Basics)
- Linux Scripting & Command-Line Operations

DATABASE MANAGEMENT :

- Microsoft SQL Server Management Studio (MSSMS)
- Oracle SQL Developer
- Data Manipulation (DTSX Packages Execution)

DEVOPS & AUTOMATION :

- CI/CD Pipeline Execution (Deployment, Hotfixes)
- Azure Devops
- Git
- Stonebranch (Job Automation & Monitoring)
- Shell Scripting (System Automation & Process Optimization)
- AWS

SYSTEM MONITORING & TROUBLESHOOTING & OTHER TOOLS:

- Putty
- Splunk
- ServiceNow
- SharePoint (Site Creation, OneDrive Integration)
- Visual Studio & Eclipse (Development & Debugging)

PROFESSIONAL EXPERIENCE

TATA CONSULTANCY SERVICES (TCS)

Project - Equitable | 2022 - Present

PROJECT 3

APPLICATION BUG FIXES, DEPLOYMENT, & DATABASE MANAGEMENT :

- Resolved Java application bugs, implementing optimized fixes and collaborating with data analysts to enhance system functionality.
 - Executed SQL query operations to manage data efficiently in Oracle & SQL Server databases.
 - Used fundamental Linux commands for file handling, directory navigation, and job monitoring.
 - Proactively monitored and troubleshooted applications, using Putty, Splunk, and Stonebranch to ensure maximum system uptime and reliability.
 - Managed CI/CD deployments, streamlining software releases, implementing patches, and deploying hotfixes with minimal downtime.
 - Optimized incident management through ServiceNow, ensuring rapid issue resolution and efficient change control processes.
 - Enhanced system stability by refining job scheduling, automating workflows, and implementing proactive monitoring strategies.
 - Drove Agile development, actively contributing to scrums, sprint planning, and backlog refinement to accelerate project delivery.
-

PROJECT 2

SHAREPOINT SITE CREATION & JOB AUTOMATION (STONEBRANCH) :

- Developed and managed SharePoint sites, creating new sites based on user requirements and configuring appropriate access permissions.
 - Integrated SharePoint with OneDrive, customized templates, and enhanced usability for better document management.
 - Set up and monitored automated jobs in Stonebranch, ensuring smooth execution of scheduled tasks for various applications.
-

PROJECT 1

USER ACCESS MANAGEMENT & FILE MANAGEMENT :

- Administered user access management, ensuring compliance with security policies and efficiently resolving application-related incidents.
 - Collaborated with stakeholders to analyze business requirements, enabling structured folder creation, removal, and data organization.
 - Executed bulk file uploads, product additions/removals, and ensured smooth business operations.
 - Liaised with cross-functional teams for issue resolution, driving continuous improvements and ensuring system stability.
-

CERTIFICATES

- AZURE FUNDAMENTALS - AZ 900
- AZURE AI ENGINEER ASSOCIATE - AI 102
- POWER PLATFORM DEVELOPER ASSOCIATE - PL 400

EDUCATION

B.TECH | 2016-2020

VIZAG INSTITUTE OF TECHNOLOGY

Electronic and Communication Engineering

- GPA: 7.16

INTERMEDIATE | 2014-2016

BHASKARA JUNIOR COLLEGE

MPC

- SCORE: 84.1

SSC | 2012-2013

K.D.P.M HIGH SCHOOL

- GPA: 8.0
-

PERSONAL DETAILS

DATE OF BIRTH :

- 08-September-1998.

MARITAL STATUS :

- Single

FATHER'S NAME :

- Tatababu Kalluri

LANGUAGES :

- English
 - Telugu
-

DECLARATION

- I hereby (Manikanta Kalluri) declare that the details furnished above are true, correct and complete to the best of my knowledge.

Yours faithfully,
